

A Novel Conspiracy

A Novel Conspiracy is a fast paced contemporary story that humorously follows the attempts of aspiring novelist, Jenny, as she struggles to overcome a disastrous love affair and achieve professional recognition. The pressure mounts when her sister, Samantha, reaches the televised heat of the BBC First Novel Competition. Entering under the nom de plume, Polly Darling, and already something of a local celebrity, she stands a good chance of carrying off the prize. However, what Polly's fans don't know is that Jenny actually wrote the novel. She can only look on as her attractive sister steals her life as she once stole her boyfriends. Jenny struggles to retain rights over her own creation as she desperately looks for a way out of her dilemma without revealing their deceit. Polly Darling becomes a media celebrity known as the Go For It Girl. What will happen if she becomes a prize winning novelist? When their eccentric mother, Ruby, holds soirees and luncheons to bask in Samantha's new Polly Darling fame, family tensions reach breaking point. Only the support of her childhood friend, Paul, enables Jenny to cope with the increasingly bizarre situation and her fear of discovery. When Paul's behaviour towards her changes, Jenny is perplexed. So how can she tell him that her feelings of friendship have turned to love? Entering the competition irrevocably changes the lives of both sisters. Facing new challenges, they come to realise what really matters to them. But with this self discovery comes a determination that puts their close bond in jeopardy as they strive to realise their dreams.
