

A CHOOSE YOUR OWN DESTINY NOVEL Internet dating is a tricky game to play, but you've done your homework and narrowed down your list to three international men of mystery. All that's left to do now is meet them . . . * Will you head to Amsterdam to get hands-on with a bohemian sculptor? * Or does the idea of adventure in New York City with a heroic fireman light your fire? * There's also the impossibly handsome Italian count who sends you poetic praise from his palazzo in Venice . . . Whichever way you decide to go, each twist and turn will lead to an unforgettable encounter. Can you choose the ultimate sensual experience? Remember: if your first choice doesn't hit the spot, then start over and try something (and someone) new. The power is entirely yours in this fully interactive, choose your own destiny novel.
