

Autodafe 1: The Journal of the International Parliament of Writers: v. 1

AUTODAFE is a collection of reports, interviews, correspondence, narratives, and stories from around the world. The review aims to be a place for debate and experimentation, a place where writers, silenced by censorship join voices with world-renowned writers. The contributors are all members of the International Parliament of Writers; the pieces are original to Autodafe. The journals common themes are the reflection of social and political realities of the world, censorship, the interdict of language, and the effects of globalblization among others.
