

Hypnotic Starlight

Hypnotic When Maddie Burns meets Alex Strider, she is instantly captivated by her. She cannot seem to forget the hypnotic eyes which Alex possesses eyes which begin to haunt her dreams. As Maddie's boss, Alex is in no position to begin a relationship with Maddie. After a stolen kiss, the two women find themselves fighting to keep the attraction between them just that. How long will they be able to resist? Find out in Hypnotic. Starlight

When Alex Matthews receives an anonymous gift in the post, she is flattered and confused at the same time. She has been given a certificate detailing a star which has been named in her honour. The only trouble is, she doesn't know who has sent it. Annie Grayson has just hit the big time. The book she wrote about the woman who inspired her ten years back has become a success. The trouble is, she doesn't know how to thank the woman involved-Alex Matthews. She decides to name a star after Alex. Alex gets in contact and the two women catch up on old times. As Annie reveals the impact Alex's existence has had on her life, she is stunned. Annie tells her she now has everything she could have ever wanted except Alex. What will Alex's reaction be? Find out in Starlight.
