

Another installment in the wonderful collection of low-priced Futa Four Packs! Four amazing futanari transformation stories in one great bundle. Taking the Futa Like a Ma-Woman! Tonight is Jake's lucky night. He thinks it is, anyway, when the sexiest redhead he's ever seen walks into his usual haunt and seems to take an immediate interest in him. Well, an immediate interest in harassing him. But Jake is fairly confident he'll have her out of that dress before midnight. Too bad for him that karma has finally caught up with him. He's a pickup artist and he's one of the best. But now he's met someone who knows how to counter all his tricks, and while she's definitely interested in bringing him home for some hot and sweaty action, things will not go as Jake plans! That much becomes clear when he starts turning into a woman! Just when he thinks losing his manhood is the worst thing that could possibly happen, his smoking hot mark reveals that she's packing heat! Will Jake run from this mysterious woman's massive meat pole? Or will he embrace it? Double Teamed by my Futa Co-workers Never get angry at work. It's an important lesson Steve and his co-workers are about to learn, the hardest way possible. His two female co-workers just won't stop going at each other with nasty insults, every single day. Steve finally can't take it anymore and snaps, saying some nasty things himself. Too bad for everyone a strange, powerful ring had just come into his possession and takes Steve's words a bit too literally! Suddenly his lady co-workers are sporting some extra equipment and are going at each other in whole new ways! But when the women calm down, they haven't forgotten what Steve did, but all they can think about is more and better ways to use their massive new power tools. Before he realizes what's going on, Steve finds out she's going to be the meat in a sexy, futa sandwich! Her New BIG Package Lana is a dark-skinned amazon with lots of junk in the trunk and Jen just can't stop drooling over Lana's curvaceous contours. The thing is, Lana is only interested in people with power tools, the bigger the better, so Jen's just plain out of luck. That is, until a mysterious package arrives containing an artifact that is going to turn Jen's sex life upside down by giving her a massive power tool of her own! Will Lana be able to resist the biggest, thickest jackhammer she's ever seen, or will she insist on testing it out? Taking Patricia's Powerful Package Patricia and Kate are friends with benefits and tonight is movie night with drinks. They're trying to get down to business with some serious drinking and serious playtime, but a mysterious box that showed up on Patricia's doorstep is keeping them distracted. They pop open the box and the mysterious gift gets them too excited to think straight. But just when they think their night can't get any stranger, or sexier, the powerful artifact changes Patricia's body... for the sexier. Kate doesn't think she can take her friend's new, gigantic jackhammer... but that doesn't mean she won't try!
