

The New York Times bestselling e-book serialisation complete and in print for the first time. If you love Fifty Shades, Bared to You and J. Kenner you'll adore Because You Are Mine... Its at a cocktail party in her honour that she first meets him - and the attraction is immediate for graduate student Francesca Arno. Its also bewildering. Shes not used to such a wholesale sexual response to a stranger. Enigmatic, darkly intense, with a commanding presence, billionaire Ian Noble completely unnerves her. And she likes it. For Ian, Francesca is the kind of woman he cant resist - one that comes all too rarely: a true innocent. But he can sense in her a desire to open up, to experiment, to give herself to the fantasies of a man in control. The first kiss, the first caress, the first challenge for a woman who craves what shes never had - a man who gets what he wants...For more electrifying, passionate romance, dont miss the other titles in the Because You Are Mine series: When Im With You, Because We Belong and Since I Saw You and look for Beths sizzling new serialisation The Affair.
