

Footie Lads(18) In Their Jocks & other football stories

A gang of 18-year-old footie lads in the park wear nothing but their skimpy little jocks; a lad gets a red card and releases his anger on his mate in a nice way; and a randy coach has his own way of cleaning his players when the showers aren't working. You'll love all the sweaty football action. All boys are 18 and over. All characters and terms including boy lad and girl refer to people age 18 and over. These stories contain explicit gay sexual content. They should only be read by people over the age of 18.
