Three thrilling tales of man-on-shifter action! This collection contains: Hunted by Moonlight Elijah, pissed off and horny after a fight with his girlfriend, wanders into the forest to get some privacy. But when a huge gray wolf catches him with his pants down, Elijah is naked and afraid. Once the wolf shifts into a hard and heavily muscled man, Elijah has a choice to make. Will he make a break for it? Or will he give in to his first man on man experience and let this massive shifter have his way? Fight the Alpha Elijah has been claimed by Malcolm, an alpha werewolf who found him in the woods. There's just one problem: Now Elijah has a deep hunger for more man-on-man action, even if it isn't with his new shifter boyfriend. When he meets a random stranger, a shredded hottie ready for his first time with a man, Elijah forgets the danger of crossing Malcolm. But when Malcolm finds out what a raging slut Elijah is now, will he be able to accept Elijah straying...or will he bring down a hard, pounding punishment? Entered by the Dragon Marcus came to this secluded mountain stream to get his head clear, after finding his girlfriend in bed with another man. But his hope for silence is thwarted, when he sees a mysterious, heavily muscled stranger shift his form into a gorgeous golden dragon. Marcus has never been with a man before, but seeing the shifters transformation sparks a desire in him he cannot fight. But is the stranger's power too much for Marcus first man-to-man action? Can he play with the fire without getting burned?
