

## Naked Lunch: The Restored Text [Library Binding]

Naked Lunch is one of the most important novels of the twentieth century, a book that redefined not just literature but American culture. An unnerving tale of a narcotics addict unmoored in New York, Tangiers, and, ultimately, a nightmarish wasteland known as Interzone. The restored text includes many editorial corrections and incorporates Burroughs's notes on the text and several essays he wrote over the years about the book. For the Burroughs enthusiast and neophyte alike, this is a valuable and fresh experience of this classic of our culture.
