

## Heart of a Hunter (The Seekers)

THE HUNTER BECOMES PREY U.S. Marshal Sebastian Falconer was a workaholic, dedicated to catching dangerous fugitives. But when his wife became the victim of a vengeful escaped felon who had vowed to destroy Sebastian, he knew he could no longer protect his beloved Olivia from the dark side of his job. Olivia's amnesia made her wary of the raven-haired man who called himself her husband. Was she attracted to the handsome stranger because of a need for security or a true calling of her heart? She joined in the search for her attacker, proving she wasn't as fragile as Sebastian had once thought. But could they find a way to rekindle their lost love in the face of danger?
