

Christmas at High Rising: A Virago Modern Classic (VMC Book 705)

Originally published in the 1930s and 1940s and never before collected, these stories by the incomparable Angela Thirkell relate merry scenes of a trip to the pantomime, escapades on ice, a Christmas Day gone awry, and an electrifying afternoon for Laura Morland and friends at Low Rising, not to mention the chatter of the arty set at a London private view. Charming, irreverent and full of mischievous humour, they offer the utmost entertainment in any season of the year.
