

Creatures Born of War: A Novel about the World Wars, Shell Shock & Battle Fatigue (Volume 1)

In World War I, it was Shell Shock. Then they called it Battle Fatigue in World War II. Today it is Post-Traumatic Stress Disorder or PTSD. Irish Catholic families of New York City are sending their sons to France to fight in WWI. They will not return as they were. Changed and broken men will return instead. The creature that lives within them will affect not only their family and friends it will affect the next generation serving in WWII as well. This is the story of their creatures. You may have a creature of your own. Find out why you do.
