

Demigods and Monsters: Your Favorite Authors on Rick Riordan's Percy Jackson and the Olympians Series

The #1 New York Times bestselling Percy Jackson series including *The Lightning Thief*, *The Sea of Monsters*, *The Titans Curse*, and *The Battle of the Labyrinth* features a 12-year-old dyslexic boy who discovers he is the son of a Greek god, the target of mythical Greek monsters, and the center of a prophecy that could change the balance of power in the world forever. In *Demigods and Monsters*, YA authors take on Greek gods, monsters, and prophecy, to add insight and even more fun to Riordan's page-turner series. The book also includes an introduction by Percy Jackson series author Rick Riordan, that gives further insight into the series and its creation, and a glossary of ancient Greek myth, with plenty of information on the places, monsters, gods, and heroes that appear in the series. *Demigods and Monsters* is a collection of essays on Rick Riordan's wildly popular Percy Jackson and the Olympians series and is not authorized by the author, publisher, or any entity associated with the series.
