

Recipe for Love (Zane Presents)

All the ingredients for the quintessential guilty pleasure: one part culinary delight, with a dash of romance, and a pinch of suspense mixed up into a deliciously sexy novel. Wouldn't love be easy if it could be followed like a recipe? Jade, a sassy restaurateur, has mastered her share of recipes except for one: she can't figure out the essential ingredients when it comes to love. There is one too many men in the mix. Jade is struggling to come to terms with being dumped by Bryce after four years. She surprises herself by agreeing to a date with Cain a mere three weeks after their painful break-up. But right as she moves on, Bryce decides that he wants her back. Jade can only hope that his obsessive pursuit of reconciliation doesn't ruin her own pursuit of happiness. Jade loves her new relationship with Cain, but her friends aren't always supportive and she resorts to lies and deception. But just as Jade settles into life with Cain, her lies come back to haunt her and she has no one to blame but herself. She discovers that she must face the error of her own ways before it's too late to salvage what matters to her most.
