

## Gay Penetration - 3 Pack Collection - M/m Gay Erotica

I hope you enjoy all three stories. These stories are packed with gay penetration and will make your bed rock! This book includes: 1. Screwed at Camp 2. The Sleep Over 3. Determination and Experience

Excerpt: 1. Screwed at Camp He was facing the wall and the shower head, and I walked up behind him. I grabbed his ass with one hand and squeezed it, pretty firm, but just a little squishy. Exactly as I imagined it would be. I felt his entire body tense, but he didn't pull away. Encouraged, I turned him around, away from the shower head, took my hands off his butt and ran them through my still lathered hair, getting a nice bunch of suds on my hands. I wiped them onto his dick, now quite hard, and went to work jerking him off, using the shampoo as a lubricant. I started slowly, wanting to savor it. Up and down, up and down, picking up speed as my confidence, and his dick, grew. He really seemed to be enjoying himself. He turned his head around and faced me, and I kissed him on instinct. It was a deep, passionate kiss, and he put a lot of tongue down my throat. We were so into the kiss that I almost forgot about his dick, but not quite. I broke the kiss and lathered up my left hand, which I placed between his butt cheeks. I rubbed the lather into and around his asshole, and started rubbing it with my fingers. He started moaning; he liked it. Encouraged, I put more lather on my left hand and rubbed a little bit more. After a second of that, I stuck one finger into his asshole, causing him to tense up again. I didn't move the finger until he relaxed, at which point I started pushing it in and out of his very tight hole. This, in combination with the now excessively energetic hand job he was getting, pushed him over the edge, and he came all over the floor of the shower. Oh god, oh wow. he said. That was, wow. and I kissed him again, for longer this time. He broke the kiss and said, Now it's your turn.
