

Goose Creek Hijinks: Jorga (Volume 1)

What does a high school art teacher with tattoos and the football coach have in common? ABSOLUTELY NOTHING Jorga Danner and Beau Daughtry get off on the wrong foot. She tries to strangle him with his whistle after he steals her gym time. The principal of Goose Creek High has had enough of both of them. He will force them to work together to get over their differences. Beau starts to see a sweet, caring woman. Although she is nothing like the women he usually dates. Jorga starts to realize he may not be the hard headed dumb jock after all. Are they a match made in Goose Creek Heaven or like a candle flame that will blow out in the slightest wind? She might just become his Flower Child forever or he might just break her heart. Jorga has secrets. Secrets that make it hard for her trust. Beau hasn't been happy for a long time. Not since his mother died. He thinks Jorga can make him happy again. He just needs to convince her that she is all he needs.
