Summer Heat: Back to the Farm [Siren Classic ManLove: Erotic Alternative Cowboy Romance, M/M, sex toys, HEA] Returning to the farm where they first met, Hunter Cross and Travis Mitchell prepare for a weekend of family fun celebrating the upcoming wedding of Andrea and Bill, Hunters mother and Traviss uncle, while also reuniting with Jaxson Mitchell, Traviss cousin, and his new boyfriend, Dr. Chase Cameron. What they get instead is a less-than-friendly welcome from Jared and Derek Johnson, brothers working on the farm that have secrets about the past, especially Hunters. Fighting for their love and their lives, Hunter and Travis once again prove their love is as strong as the day they first met a year ago while working in the oppressive summers heat of Virginia. Introducing two new characters to the Heat series and reuniting the characters of the first and second, the normally sleepy, Southern farm transforms into a place where dreams are made but could be just as easily broken. ** Siesta Heat [Siren Classic ManLove: Erotic Alternative Romance, M/M, HEA] Wanting a new start, Derek Johnson moves to Siesta Key, Florida, in search of a new life among the endless stretches of sandy white beaches and lush tropical landscape. Born into a super rich and affluent family, Cody Connors returns to Siesta Key and his parents home with his tail between his legs, jobless and penniless with no future in sight...at least a future he wants. Meeting on the dunes one afternoon and instantly attracted to each other, their fateful hookup turns into something more. But are they willing to accept each others differences and fall in love? Or will they deny their true feelings and walk away? Between the hot, sunny days and warm tropical nights, Derek and Cody do everything but take a siesta, causing plenty of heat all of their own. ** A Siren Erotic Romance
