

September Tango: The Rhythm of the Heart, Book 1

Calvin spent his life in the small town of Major, Alabama only to leave shortly after high school to join the military. Never knowing her feelings. Zoe always loved Calvin. When he returns five years later, she is not surprised that time and distance hasn't deterred her feelings in the least. Sparks fly when their passion runs *HOT* as they finally come together. When Zoe's life is rocked with bombshells it's Calvin that takes the lead, teaching Zoe to follow the rhythm of her heart.
