

Summer Daydreams

What if you had always dreamed of something more . . . ? Nell McNamara has a happy life: her boyfriend Olly adores her, their four-year-old daughter Petal is the centre of their world and Nell has a steady job in the local chip shop. When the chippy needs a makeover, Nell jumps at the chance to unleash the creativity fizzing inside her. Inspired by what she can achieve - and encouraged by the very best friends a girl can have - Nell is determined to try something new. Waving goodbye to the chip shop, she starts up a new business making her own line of must-have handbags, which are soon flying off the shelves. It seems Nell's dreams are finally coming true, but her success doesn't come without a price. Before too long, Nell has to ask herself if it's really possible to have it all . . . Full of fun, love and laughter, soak up the sunshine with Summer Daydreams.
