

## Applied Knowledge Test for the New MRCGP

This book contains 300 practice questions for the AKT section of the new MRCGP. The questions utilise all of the formats used in the exam: extended matching questions (EMQs), single best answers (SBAs), picture format, and algorithm completion. In addition, detailed answers to all questions are provided to aid understanding. The questions and answers are all derived from recent articles published in the BMJ, BJGP, Clinical Evidence, and Drugs and Therapeutics Bulletin, and also from the latest NICE Guidelines and the BNF.
