

My Antonia [With Earbuds] (Playaway Adult Fiction)

My Antonia chronicles the life of Antonia, a Bohemian immigrant woman, as seen through the eyes of Jim, the man unable to forget her. Jim, now a successful New York lawyer, recollects his upbringing on a Nebraska farm. Even after twenty years, Antonia continues to live a romantic life in his imagination. When he returns to Nebraska, he finds Antonia has lived a battered life. Although the man to whom she dedicated her life abandons her, she remains strong and full of courage.
