

Mystery Man

Night time is the right time.... Gwendolyn Kidd has met the man of her dreams. Hes hot, hes sexy, and what started as a no-names-exchanged night of passion has blossomed into a year and a half-long pleasure fest. Sure, its a little strange that he only appears in her bed at night, but Gwen is so sure hes the one, she just cant turn him away.... Hawk Delgado knows more about Gwen than she could ever imagine. Shes gorgeous, headstrong, and skittish about relationships. But Hawk is facing his own demons, demons that keep him from connecting with anyone. Yet when Gwen is drawn into Denvers lethal underground scene, Hawks protective nature comes out full force. The problem is, when Gwen gets a dose of Hawks Alpha attitude in the daylight, shes not so sure hes the one anymore....
