

## Romeo and Juliet: Side by Side (Side By Sides)

Introduce students at any level to Romeo and Juliet with the Prestwick House Side by Side edition, a comprehensive student edition that presents the original play in its entirety on the left-hand page and a modernized version on the right. Reading a modernized version of this play will help your students understand important plot points and dialogue. Once students understand what's happening in the play, they'll be ready to read the original text and perform a deeper analysis. Your students will be able to enjoy the suspenseful plots, thrilling twists, deep emotions, and skilled character development of the original work without feeling overwhelmed by Shakespeare's challenging language. No matter their ability level, your students will gain a deeper understanding and appreciation of what makes Romeo and Juliet so great.
