

[Siren Menage Amour: Contemporary/ Menage a Trois Romance, M/M/F, M/M, M/F, monogamous polyamory, anal play/sex, master/slave role-playing] Nevvie Barton has never truly felt loved or like she belonged anywhere--ever. Abandoned by her adopted family and trapped in an abusive relationship, she takes a job with Tyler Paulson and Thomas Kinsey as their cleaning girl. Nevvie knows her fantasies about the boys will always be just that--the two handsome men are devoted, loving life-partners. Then Tyler and Thomas fall in love with Nevvie and hatch a secret plan to seduce her and make her their permanent third. For the first time in her life, she feels attractive and wanted. When they ask her to move in and be their personal assistant, Nevvie jumps at the chance. Her planned escape doesn't go without a hitch, and the boys must rescue her from a brutal man who would rather kill her than let her go. Can Tyler and Thomas heal Nevvie's wounded body and soul and prove to her that she really is their dream come true? I love this book because I fell in love with the characters as I got deeper into the story. They really surprised me, and the dynamics between them as they related to each other were fascinating. They heal each other in different ways, and while they're all independent people, they're truly complete and stronger when they're together. ~ Tymber ~ Siren Erotic Romance Books in the Love Slave for Two series: Love Slave for Two: Beginnings Love Slave for Two Love Slave for Two: Family Matters Love Slave for Two: Reunions Love Slave for Two: Reckoning
