

Secret Games of Deception

Secret Games of Deception is a compilation of ten stories termed scenarios. Each scenario is characterized by romance, sex, lies, deception, murder, betrayal and revenge. Every scenario has a sub-topic and a section that takes the audience behind the scenes to understand the true games of deception that is being played out. Each scenario also comes with a lesson and a warning that can serve as a guide in everyday life. In Scenario1 (Sweet Vendetta): Jessica Walden, an experienced psychologist has a mind boggling suspicion that her husband, Mr. Nicholas Walden, a senior editor at a popular publishing firm in New York is either being unfaithful or has lost interest in her totally. To feed her tingling curiosity, Jessica hires a private investigator. The shocking revelation throws her in an unalterable consternation that affects her interminably at her work place. Jessica plans to get back at her wayward husband and so she embarks on an immediate vacation that lands her in the arms of Travis Gardener, an author and also a client of her husband who lives on a paradisiacal island in the Caribbean named The Land of Eden. On her return, Jessica found out that her husbands mistress happened to be his co-worker and also one of her clients at the firm of Cyber-Psychology where she worked. Jessicas sweet vendetta was not meant to perpetuate but her unforgettable chain of erotic experiences on the island of majesty and beauty left her with a three weeks pregnancy. Sweet Vendetta is just a taste of nine other spellbinding short stories in the book, Secret Games of Deception.
