

Shattered Souls: The Lizard Green Affair (Volume 2)

After Elizabeth Green had betrayed her husband and entered into a torrid affair with her best friend and co-worker, Dean Salinger, she knew that this was where she was meant to be. But when Dean decides to end the relationship and starts seeing Elizabeth's sister-in-law, Meredith Green, the couple desperately struggles to fight for their sanity and obsession for one another. Dark times consume the lovers as Dean fights his inner demons and drug addiction, while Elizabeth spirals out of control with alcohol and self-harm from her devastating heartbreak. When the couple cannot deny their feelings any longer, they reconcile, only for their secrets to be discovered and their lives to be irreparably broken.
