

## Sold and Taken

Emily Davies, Assistant Bank Manager by day, but naked slave by night, is led astray by her innocent looking work colleague, Becky. Intrigued by the prospect of earning money by auctioning her body, Emily enters a dark world where she has no control over her destiny. She trusts Becky to look after her, but is soon left on her own and must fight to retain her dignity and make it in the world of a slave. This bundle contains all four books in the series.

**Sold at Auction** Enticed by the opportunity to earn cold hard cash, Emily agrees to be sold as a slave at auction. It leads her into a world of naked female combat where she must fight to retain her dignity and avoid the fate which awaits the losers. To stay in the game Emily must progress, but by doing so the stakes get higher and the consequences of losing become unthinkable. Has Emily got what it takes to emerge victorious or will she be defeated and have to face judgement at the hands of the merciless judges? **Sold to the Highest Bidder** In the long awaited sequel to **Sold at Auction**, Emily finds herself being bought at auction by a mystery business woman. Separated from the protection of Becky she is on her own and must satisfy the demands of her buyer and demanding friends. Failure to please her buyer can only have one outcome. Emily soon finds herself in trouble with the ladies and must face the painful consequences of her failure. Can she find a way to adapt or will it be the longest twenty-four hours of her life? **Sold for a Few Pounds** Emily returns to the slave auction, ready to sell her body for cold hard cash. She must accept the terms of her buyer, who in bidding for her secures all rights to her body for the next twenty-four hours. Will Emily find fortune with a rich lover, or will she find herself dragged into a seedy world, with little to show for the ordeal she will be put through? **Sold for a Few Pounds** is an erotic story and includes adult themes

throughout, including lesbian and BDSM sexual encounters. Sold with my Young Lover Returning to the auction, Emily takes eighteen year Charlotte to be auctioned alongside her. As their fate lies in the auctioneers hammer, can Emily protect her young lover, or will she have to watch her submit to the desires of their buyer? Will Emily, herself, find herself dragged into the degrading world, or will she be pitted against her lover and forced to save her own skin, in a world where it is every woman for herself? Sold with my Young Lover is an erotic story and includes adult themes throughout, including lesbian and BDSM sexual encounters. You have been warned.
