

Arianna and the Spanish Sardines

Arianna stretched out on the Florida beach sand. Her new friend, Bubba Two, traced letters on her back, squeezing a bottle of sun tan oil. She asked, What are your writing? He whispered in her ear, Eye-el-oh-vee-ee-y-oh-u. She joins him for bait fishing - netting Spanish sardines - as well as for scuba diving, jet skiing, and all-around fun. She also meets his devilish twin brother, Bubba One. She doesnt like him at all! And for good reason.
