

**Erotica Series: Spanking Chronicles** This is a compilation of four spanking stories - the first three from the popular *The Training of Betty* and a raunchy free bonus book, also from the *Spanking Chronicles* series, *Out in the open*. All four books combine plenty of spanking action with a strong story line that includes romance, humor and place descriptions. **Bettys Boot Camp** Bettys a naughty girl and Michael, her fiance, has to take her in hand on a regular basis with many a regular spanking session. **Twos Company** Twice as many girls equals twice as much spanking fun when Betty and Michael join up with another couple with similar interests at heart. **The O-Bay Club** Michael becomes a member of a special club with the strictest code of conduct and a public spanking for any young lady who transgresses it. **Out in the Open** A really raunchy tale of spanking and open-air sex as Helen, our heroine, wakes up from an accident and discovers herself. Sample text: That was quite a model spanking, said Jake as soon as Betty was on her feet, pulling up her knickers and putting her skirt back in position. She was dimly aware that Jenny had one hand up her own skirt: perhaps she had been turned on by watching. I believe in being traditional, replied Michael. Over the knee, bare bottom, open hand. But then the only way you can distinguish between different severities of punishment is by the number and hardness of the strokes, and that can be difficult to gauge correctly. Dont forget, said Michael, that humiliation is a huge part of it. Not so long ago I spanked Betty in the diaper position, I believe you call it. **GET ALL FOUR SPANKING BOOKS FOR THE PRICE OF THREE!** The *Spanking Chronicles* series is published by Any Subject Books.
