

## The Adventures of Keith and Larry, Volume 2

Keith and Larry are two young boys growing up in a small rural town in central Texas during the mid 1950s. They get into a lot of scrapes and they have a lot of adventures as they learn some lessons about life. These books are a look back at life in the 1950s and they will bring back memories of family life and some memories of what life was like without TV or the internet.
