

The Beauville Trilogy Box Set: Flaming Hot Gay BDSM

Set in occupied France during WW2, The Beauville trilogy follows the fate of three men at the hands of Captain Rudi Bramkamp, a sadist by nature, who has just received news that his family has been killed in a British air raid. Needless to say - Rudi is not a very happy man. A Lancaster bomber is shot down near to Beauville, setting in motion a chain of events: The Pilots Surrender; The Collaborators Reward; and finally The Captains Deliverance .
