

## The Note-Book of an English Opium-Eater, and Miscellaneous Essays (Classic Reprint)

Excerpt from The Note-Book of an English Opium-Eater, and Miscellaneous Essays It is impossible to conciliate readers of so saturnine and gloomy a class, that they cannot enter with genial sympathy into any gaiety whatever, but, least of all, when the gaiety trespasses a little into the province of the extravagant. In such a case, not to sympathize is not to understand; and the playfulness, which is not relished, becomes flat and insipid, or absolutely without meaning. Fortunately, after all such churls have withdrawn from my audience in high displeasure, there remains a large majority who are loud in acknowledging the amusement which they have derived from a former paper of mine, On Murder considered as one of the Fine Arts; at the same time proving the sincerity of their praise by one hesitating expression of censure. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
