

## Views from the Condo

Our heroine is a senior lady who is sure theres foul-play in her condo. Shes a Court TV junky and fancies herself a sleuth. Shes feisty-she lets you know her last name is Marder, not martyr! This story is full of fun and humor and our Viv Marders very own style of Yiddishkeit. It even includes recipes! If you live in a condo or are thinking about it-youll love this book. Makes a great gift!
