

Senior Sex: Book Three

Our first story, When Im Bad, Im Better, tells of a widow who has never explored her sexual side, hardly even knew she had one. But that changes when she meets another woman her age who seeks out younger men for her bed. Read what happens when they team up. Next is Her Best Birthday Ever, a story of a couples gift for their widowed neighbor as they bring her a cake and themselves for her birthday. Then, Lessons At Poolside, describes a forty-something woman out by the pool when she realizes that her bikini top has slipped, exposing a nice, pink nipples to the young man who was sitting across from her. She decides to leave it that way and you can read just what happens. Sensual Seniors, our final story, is the story about a man who works for a chain of retirement villas and finds that he is in high demand by some of the female residents. Oh, fun.
