

Uncles Diet (Hometown Adventures Book 3)

A Third adventure for the Tompkin Family. With Mom and Dad overseas serving their country as Captains with an Army Surgical Nursing Team, Uncle Leo takes on the role of managing the household and testing his parenting skills. With a Niece working her way to High School graduation, and a Nephew ready to tackle any opportunity for fun and adventure, Uncle finds the Tompkin Family might be more than bachelor business executive can handle. Larry and his Best Friend Marty, Wendy the Housekeeper and Family Cook, Melody and Uncle Leo work through all the little events that will test the average family, and work hard to do it in a way that will make Mom and Dad proud. Hometown Adventures are stories about the daily events that keep an average household buzzing as Uncle tries to live up to his little brothers expectations by managing the household, Larry tries to make everyone proud by being more responsible, and Melody and Wendy struggle to make sure no one trips over anyone else. Hometown Adventures can be nothing more than living well in a small town with the Tompkins mixed in for good measure.
