

With the Kamasutra Under My Arm

Having been left for another, Trisha decides that the best way to nurse her broken heart is to escape to India, armed with a copy of the Kama Sutra with its promise to teach her how to seduce a new lover, train a hawk (to carry love letters, of course!), furnish a house seductively, and seduce other womens husbands (well, maybe not that one). At the last minute, Trisha is joined by her long lost backpacking companion, Sally.
